Michigan Drum Corps Scholarship Fund

Financial statements for the month of:

August 2020

(with summarized comparitive information for the previous month)

Table of Contents:

Introduction and Narrative Schedule A: Statement of Financial Position Schedule B: Statement of Activities Schedule C: Statement of Changes in Net Assets Schedule D: Statement of Cash Flows

Introduction

Due to the outbreak of COVID-19 and the cancellation of all drum corps activities for the 2020 season, the scholarship fund received no additional applications and disbursed no funds for students during August. The board chair has been in contact with all sponsored students for the 2020 season and the scholarship fund's focus has shifted to preparing for the 2021 season.

The global pandemic is expected to have significant impacts on the fall audition season. Many schools are implementing hybrid formats for virtual and in-person learning, the Michigan Competing Band Association (MCBA) has cancelled all events this year, and audition camps will likely be held online.

The 2020 season cancellation's financial impacts are also reaching some of Drum Corps International's member organizations. On August 10th, the Blue Knights announced that they lost over \$700,000 in revenue and were in danger of folding if they were unable to raise enough funds to cover ongoing expenses like property leases, vehicle loans, and other operating costs. As of September 7th, they have raised just under \$50,000 of a \$150,000 goal. To date, no ensembles with sponsored students have shared they are at risk of folding due to the pandemic.

Monthly Financial Recap

Liquid assets on hand: \$629.08 Donations: 2 donations received during August. Disbursements: 0 program related disbursements during August.

Financial Narrative

During August, the Board Chair noted that the fiscal year for the financial statements was running from September – August though the bylaws stated that the organization's declared fiscal year runs from October – September. This adjustment decreases the year-to-date net income by \$397 for September 2019 activity.

Under the corrected fiscal year, August marked the eleventh month of operations for the fund. Cash for the month is \$92.25 higher than July. \$205 of the total cash on hand is currently restricted to maintain minimum reserve requirements.

Program related expenses did not change during August. Administrative expenses are up \$27.75 for the monthly Digital Ocean invoice charged to the business checking account, the annual Michigan corporations filing fee, and Paypal fees.

No funds are currently restricted by outside donors. All restrictions made by the Board are included under Unrestricted Funds in accordance with Generally Accepted Accounting Principles in the United States.
