To date, the Jason Fritz Memorial Endowment has a \$1,000 spendable balance and a \$12,461.48 permanently restricted balance whose investment earnings will be used to support future scholarships.

During November the scholarship fund received one new application. We anticipate receiving additional applications as the audition season stretches into the December camp season!

## Financial Narrative

November marked the second month of operations for the fund in our third fiscal year. Cash for the month is \$2,025.11 lower than October due to the endowment transfer and monthly Digital Ocean invoice. \$205 of the total cash on hand is restricted to maintain minimum reserve requirements and \$0 is restricted for the Jason Fritz Memorial Endowment as all donations have been transferred to BCCF.

Program related expenses had no activity during November. Administrative expenses are up \$6.00 for the monthly Digital Ocean invoice.

No contributions were received during November and no additional funds were restricted for the Jason Fritz Memorial Endowment. \$12,461.48 has been permanently restricted as the corpus and \$1,000 has been invested as an opening spendable balance. Endowment earnings will be separately classified as investment performance reports are received and become available for use solely for the purpose of the Jason Fritz Memorial Scholarship, subject to availability of funds and applicant interest. Unused funds will be reinvested in the corpus of the endowment. All funds are managed in accordance with Generally Accepted Accounting Principles in the United States.
