<u>Introduction</u>

February marks the fifth month of our fourth year of operations. The fund recorded \$7.43 in net profit for Amazon Smile donations exceeding our monthly Digital Ocean invoice. The Jason Fritz Memorial Endowment has a \$500 spendable balance and a \$14,066.77 permanently restricted balance whose investment earnings will be used to support future scholarships. Our investment returns to date total

-11.21% and continued market volatility and inflation suggest that more endowment losses may occur throughout 2023. As such, we have retained some restricted donations in the form of cash to avoid subjecting those donations to market losses. Potential avenues for supporting 2023 Fritz Memorial scholarship disbursements may include utilizing some of this cash on hand for active scholarships, though that would require the explicit approval of donors. Discussions on this approach are ongoing.

Last month included the first tuition sponsorship of the 2023 season and our second scholarship this fiscal year. Unlike previous years where applications were reviewed and recommended as they were received, the scholarship fund's current operating plan is to raise funds and review and disburse all sponsorships during May unless a student contacts us expressing financial need for an expedited disbursement. In line with that exception window, one tuition sponsorship towards the Bluecoats was approved on January 30th and was paid during February. To date, we have supported two students this fiscal year and have received applications from eighteen students.

Financial Recap

Liquid assets on hand: \$1,934.19

Donations: 1 donation received in February. 8 donations received this fiscal year.

Disbursements: 0 program related disbursements made during February. 2 program related disbursements made this fiscal year.

Financial Narrative

Cash for the month is \$442.57 lower than January for one tuition sponsorship approved in January that cleared the bank during February and for our monthly Digital Ocean invoice payment exceeding donations received. \$205 of the cash on hand is restricted to maintain minimum reserve requirements and \$1,798.71 is restricted for the Jason Fritz Memorial Endowment for donations to be transferred to BCCF.

Program related expenses did not change during February. Administrative expenses are up \$7.20 for our monthly Digital Ocean invoice.

Restricted funds for the Jason Fritz Memorial Endowment are broken down as follows: \$16,365.19 is permanently restricted as the corpus of the endowment and \$500 remains invested as an opening spendable balance. Endowment earnings and losses are listed under the Investments category of the profit and loss statement with a -11.21% investment return through December based on our most recent quarterly statement. All unused funds at the end of the fiscal year are reinvested in the corpus of the endowment. All funds are managed in accordance with Generally Accepted Accounting Principles in the United States.
