#### Introduction

August marks the eleventh month of our fourth year of operations. The fund recorded \$7.20 in net losses for our monthly Digital Ocean invoice. The Jason Fritz Memorial Endowment has a \$500 spendable balance and a \$15,182.45 permanently restricted balance whose investment earnings will be used to support future scholarships. As of June, our all-time investment returns to date total -4.53%. Concerns about end-of-year market volatility and inflation leading to further losses throughout 2023 led us to retain some restricted donations in the form of cash. That said, the market now suggests that the economy will reach a soft landing and not fall into a recession. As such, the permanently restricted balance will increase by an additional \$1,298.71 following a transfer to the Battle Creek Community Foundation so we can capitalize on investment returns.

To date, all scholarship awards have cleared our bank accounts and students have taken the field for competition. For the year a total of \$4,250.00 was awarded to twelve students marching with the Battalion, Blue Stars, Bluecoats, Carolina Crown, Madison Scouts, Mandarins, Phantom Regiment, River City Rhythm, and Spartans. Of these students, two are drum majors that were recipients of the 2023 Jason Fritz Memorial Scholarships. These students represent some of the best-of-the-best that our state (and the activity) has to offer and we were thrilled to see two of them perform at the Rockford show.

While the 2023 season can be considered a success, the total need expressed during 2023 greatly exceeded the scholarship fund's entire net assets – and many students who applied for tuition assistance did not receive scholarships. The Fund's continued support of students is conditional on our ability to fundraise and to secure a reliable donor base. Based on the small amount raised at the Rockford show, future discussions will be required for how best to meet scholarship demands for 2024.

#### **Financial Recap**

Liquid assets on hand: \$1,000.92

Disbursements: 0 program related disbursements made during August. 13 program related disbursements made this

fiscal year.

#### **Financial Narrative**

Cash for the month did not change from July to August. Our monthly Digital Ocean invoice payment was made out of pending donations sitting in the fund's PayPal account due to the expiration of the general account's debit card. Note that this increase is reflected in a higher accounts payable line, which will be netted against pending donations when the final transfer is made into our bank account. \$205 of the cash on hand is restricted to maintain minimum reserve requirements and \$1,298.71 is restricted for the Jason Fritz Memorial Endowment for donations to be transferred to BCCF.

Program related expenses did not change during August. Administrative expenses are up \$7.20 for our monthly Digital Ocean invoice.

Restricted funds for the Jason Fritz Memorial Endowment are broken down as follows: \$15,948.40 is permanently restricted as the corpus of the endowment and \$500 remains invested as an opening spendable balance. Endowment earnings and losses are listed under the Investments category of the profit and loss statement with a -4.53% investment return. All unused funds at the end of the fiscal year are reinvested in the corpus of the endowment. All funds are managed in accordance with Generally Accepted Accounting Principles in the United States.
